F. Suggested curling season and tentative bonspiels

Chedabucto CC's curling year: Late October or November 3, 2014, to April 4, 2015 with the week for makeup games and playoffs being dependent on Men's Worlds impact on the Chedabucto CC's membership to be available for makeups and playoffs . Once the sun and heat of April hits, ice costs sky rocket and volunteers become less.

**Tentative Spiels' Dates** (With the **Friday nights** before included **depending on number of teams**) Acknowledging that the following are only suggestions and subject to changes.

November 21 Turkey shoots (Nov 28 being the storm date).

January 17 (24th storm date) Edgar Sceles

February 14 Ladies Valentines (21 storm date)

March 6 - 8 Skins Exxon/Mobil (These are my suggested date with March 27 -29 as storm dates.)

March 28 Jr. Sceles Memorial / Closing (Depending on Skins).

March 28 - April 5 World Men's Curling. This might cause us to rethink the Sceles Memorial, if that is what it will be called)
