**6:30 PM**

1. Call to order (regrets)
2. Specific Agenda:
  - a. Following an information update regarding CAS's recent application for a government grant to insulate our rink's attic from a level of less than R20 up to an insulation level of at least R50 and to replace all lighting in ice area with high-efficiency lighting, a motion will be sought from CAS membership present for permission to spend approximately \$5,436.00 from CAS's bank account to pay CAS's \$.50 per \$1.00 portion of the government grant. (The \$5,436.00 grant's eligibility-to-receive expires at the end of September therefore a general-meeting quorum is a must to enable CAS to receive the before-mention grant.)
  - b. Brief discussion regarding 2015-2016 curling season's ice preparation requirements.
3. Motion to adjourn
