WE CAN'T WAIT TO CURL!

Goldline Curling has always been proud to be a company made up of curlers. From logistics to finance, management, customer service and retail, our team is full of people who are passionate about the sport of curling.

Like most of you, our clubs shut down in March 2020. Some of us managed to get a few weeks of curling in during this past season, but most of us sat watching for positive announcements, hoping we'd get back on the ice soon.

While we missed most of this past season, we've been thrilled to see the creative ways curlers have remained engaged throughout a challenging year! Your love and passion for this sport is truly inspiring.

As we put together this catalogue, things are looking hopeful for next season. Vaccines are being rolled out here at home in Canada, and around the world. We've asked about everyone's plans to return to curling in the fall, and the overwhelming response has been excitement to get back on the ice!

No matter where you are, we hope that you and your friends and family have stayed safe over this past year, and we look forward to seeing you on the ice this coming fall. As always, we are here to support the broader curling community, plus you and your passion for the sport of curling!

The World's Largest Curling Store at our Mississauga, ON head office.

In February, 2021 we announced our **#unitedwecurl** initiative. You can learn more at unitedwecurl.com.

BROOMS

CARBON FIBER AIR

1" or 1-1/8" \$159.99

CARBON FIBER AIR X

1" or 1-1/8" \$159.99

- Carbon Fiber is the lightest handle material available. Its stiff nature translates more of your force directly into the ice, making this the most effective tool for sweeping.
- Air X Curling Broom features an Air X Head, which is 16% larger and more effective when sweeping for weight.
- AIR and AIR X heads feature a sliding bar, and are durable and very lightweight with full 360° rotation.
- A spring lock system is standard for quick head replacement as well as a snap fit design that facilitates quick and easy AIR and AIR X pad changes.

FIBERLITE AIR

1" or 1-1/8" \$109.99

FIBERLITE AIR X

1" or 1-1/8" \$109.99

- The number one choice of curling broom in the world today.
- Each Fiberlite is equipped with either an AIR or AIR X head and pad.
- Featuring composite handles with high strength to weight ratios and an AIR Head with full 360° rotation.
- Honeycomb construction of heads reduces weight, while optimizing strength and durability.
- Each Fiberlite comes equipped with the same unique head and pad changing systems found on our Carbon Fiber brooms.

Lighter brooms are easier to push, making them more effective. When it comes to weight, it's all about the handle, which is why Goldline offers both carbon fiber and fiberlite brooms.

TEAM HOMAN - OLYMPIANS AND WORLD CHAMPIONS

FG360 AIR

1" or 1-1/8" \$89.99

- With the addition of the lightweight AIR Head, fiberglass brooms are no longer heavy. The FG360 features an AIR Head with full 360° rotation.
- All three colours of the FG360 AIR come equipped with an Airway pad.

FG AIR

1" only \$73.99

- The FG AIR broom features a fiberglass handle and a stationary version of our revolutionary AIR Head. It is ideal for new curlers or as a club broom.
